

Ghana Productive Safety Net Project 2

2021 - PRESENT

World Bank

Ghana

NATURE BASED SOLUTIONS

urban green spaces, grassland and other vegetation, forests

The project aims to expand and enhance social safety nets and provide access to productive income generating opportunities for the poor in Ghana. In Rural areas, the project will conduct forestation and reforestation to mitigate climate change and support catchment and watershed protection and biodiversity conservation, while also constructing urban greening to mitigate flood risks.
