

Accelerating Transport and Trade Connectivity in Eastern South Asia Phase 2 - Bhutan Project

2025 - 2031

World Bank
Bhutan

NATURE BASED SOLUTIONS

watershed management

The Project Development Objective (project development objective) is to increase the efficiency and resilience of trade, transport, and digital connectivity along selected corridors in Bhutan. The project will pilot a road maintenance contract to implement climate adaptation features along key transport routes, including NBS for flood attenuation and slope stabilization.
